As a student we expect that you:

Actively participate in learning, and develop focus and the ability to take personal responsibility.

Show respect and consideration for pupils and staff.

Listen to others and use appropriate language that does not disrespect others.

Respect and contribute to a calm and pleasant working environment.

Are involved in the shaping of the teaching and teaching environments.

Come on time and prepared for the school day.

Take care of your own, other pupil's and the school's property. Keep the school clean and pleasant to be in.

Follow the school's rules and data policy. Live up to Glunten's values.

As a pupil's guardian we expexct of you:

Maintain a positive attitude to your child's learning and speak with them in positive terms about the school.

Show respect to and trust for the school's employees.

Make sure that your child is well rested, fed and has with them everything necessary for the school day.

Help your child to come on time and to take responsibility for their studies.

Keep updated on the school's news and information via Quiculum and on www.glunten.se

Contact the school of you suspect a pupil is suffering in some way.

Be aware, together with your child, of the school's rules, values and data policy available at www.glunten.se

From the employees of Glunten's Montessori School you can expect:

High expectations of our students and that they receive appropriate challenges in their learning.

That we meet pupils, guardians and colleagues with trust and respect.

That we create a structured pedagogy that is intelligible and meaningful.

That we work in a structured manner to create a calm and safe school environment.

That we encourage student participation in the design of the teaching and the school environment.

That we are good role models who come one time and fully prepared for the day.

That we tackle conflicts and violations according to the school's rules and guiding policies.

That we regularly follow up pupils' academic development, safety and well-being.
